Central Traffic Division "Streets and Sidewalks Safety Exposition."

The Los Angeles Police Department, Central Traffic Division is planning to present a Community outreach day by organizing a "Streets and Sidewalks Safety Exposition." The event will be held on July 9, 2016, from 1000 hours to 1600 hours, at the new Los Angeles Police Department Headquarters Facility. The Police Department Headquarters Facility is located at 100 West 1<sup>St</sup> Street, Los Angeles Ca. The focus of the event is to educate the public on pedestrian laws, bicycle laws, traffic laws, and driver awareness while fostering and promoting positive Police and Community relations. In addition to the traffic safety focus, the event will be promoting health and safety for the many pets moving to the downtown area with their owners.

Veterinary Services and animal care specialists will be available to provide vaccinations and references for spay and neutering.

The Los Angeles Police Department, Central Traffic Division, is inviting you to participate in this fun and educational event that fosters and promotes positive Community and Police relations.
